Ridgway Arrives in Europe To Guide NATO Forces and Build Sound Defense Against Reds

Paris (AP)—Gen. Matthew B. Ridgway returned to Europe today to take command of NATO fighting forces and declared his experience in Korea convinced him a sound defense against Communism here could be built from a combination of many nations.

Then, accompanied by Gen. Dwight D. Eisenhower whom he is to succeed three days hence, he drove through the streets of Paris in contempt of Communist threats to stage hostile demonstrations against "le general microbe" as they call him. The Communists have applied the tag as part of their propaganda, repeatedly denied by the West, that the United Nations used germ warfare in Korea.

Ridgway stepped out of his plane at Orly Field just 10 days short of eight years after he parachuted into Normandy on D-day.

Gen. Eisenhower was at the airport to greet the man who will relieve him as supreme commander of the North Atlantic Treaty Organization forces on Friday. Also there were several other officials, including French Defense Minister Rene Pleven, U. S. Ambassador James C. Dunn and many officers from SHAPE, the Eisenhower headquarters.

The field was almost black with French police determined to snuff out any Communist demonstration. Twenty thousand other police were massed along the route of the parade through Paris, a route deliberately chosen in preference to (Turn to Page Eight)

Budget Slashers In House Denounced In Truman Speech

Washington (AP)—President Truman has accused budget slashers in the House of doing "their bit to help the Communist side."

The president declared in a speech last night that cuts in defense spending were "a foolish, reckless act" which may force a sharp reduction in U. S. armed forces in an hour of peril.

He expressed hope that Vice President Barkley will be able to persuade the Senate to restore House cuts in both the defense and foreign aid programs.

The president chose a dinner last night commemorating the completion of a colony in Israel named after him—Kfar Truman—for a bitter assault on the House. It reduced his defense recommendations from about \$1 billion to \$460 million and the mutual security program from \$7,900,000 to \$6,174,600,000.

The president said of the House cut in armed services funds: "This was a foolish, reckless act. It jeopardizes our defense buildup. It may require us—in this hour of peril—to demobilize a substantial part of our armed forces. Think of that."

TWO DIE IN CRASH

Beaver Falls (AP)—An auto crashed through a wooden guard rail and plunged 95 feet over an embankment to the Pennsylvania railroad tracks yesterday, killing Mr. and Mrs. Clarence D. Ault of Beaver Falls, Pa. The auto had stalled to negotiate a sharp curve, seven miles northwest of Beaver Falls.

Communications Between East and West Germany Being Severed by Communists

Berlin (AP)—The Communists cut telephone communications between East and West Berlin and 17 long distance lines between West Berlin and West Germany today.

Eight telegraph lines also were shut down. Thus far, however, teletype communications between West Berlin and West Germany were not affected.

It appeared to be the first blow in the promised Communist reprisals for West Germany's signing of a peace pact with the Western Allies yesterday. West Berlin, 110 miles inside the Soviet zone, feared a renewal of the near-paralyzing Red blockade of 1948-49.

West Berlin telephone officials would not disclose how many land lines they still have open to West Germany but indicated the number is far in excess to the 17 shut down. Also radio telephones, capable of handling about 50 calls simultaneously, are still functioning.

Allied officials said their communications lines still are operating normally. One Allied officer said he telegraph cut-off left West Berlin Germans with no alternative but to send messages for relay over the civil telegraph headquarters in the Soviet sector.

Earlier today the Russian border guards again barred Allied military motor patrols from the city's only highway link with the West, the 110-mile autobahn to Helmstedt. The patrols, which had stranded motorists, had been periodically banned between May 8 and May 17 but since then had not been troubled.

ELECTROCUTED

Beaver Falls (AP)—A high voltage wire electrocuted Lewis Venigaglia, 26, of Ellwood City, yesterday while he was pouring concrete for a new bridge on Route 1, about 11 miles northwest of Beaver Falls.

Franklin, Va. (AP)—Three airmen awaiting transfer overseas were killed yesterday when their C-47 transport jet bomber blew up and crashed near here while on a training flight.

Stores To Be Open Thursday Evening

It is announced by the Retailers' Committee of the Warren Chamber of Commerce that most Warren retail stores will remain open all day on Wednesday this week and will also remain open until 9:00 p. m. Thursday evening.

This change in the store schedule has been set for this week due to the fact that Friday is "Memorial Day," when stores will be closed all day.

The same schedule will be observed "Independence Day" week, July 4th, also falling on Friday.

Prisoners Reported Anxious to Confer With Gen. Boatner

Koje Island, Korea (AP)—Tough Communist prisoners of war in Compound 95—scene of April 10 rioting—were reported ready to come to terms with Gen. Haydon L. Boatner today.

Red leaders of the 6,000 POWs in 95 told the new commander of this United Nations No. 1 prison camp they were ready to obey his orders. But they asked to meet with him.

Informed sources said Boatner replied that the Reds first must comply with certain terms before he would talk with them. He set Col. Maurice J. Fitzgerald, former deputy commander of the camp, to confer with the Reds.

Fitzgerald reportedly told the Red leaders they would have to deliver for burial the bodies of an estimated eight POWs killed in the riot six weeks ago.

Fitzgerald's only comment was that the prisoners then made a lot of "wild demands." He did not elaborate.

Informed sources said the Reds asked that all 6,000 prisoners in the compound be permitted to attend the funeral of the slain men. Presumably the Reds wanted to use the funeral for a propaganda parade past other enclosures.

BOY FEARED DROWNED AS CANOE OVERTURNS

Philadelphia (AP)—Gerald Everett, 16, of New Hope, was missing and presumed drowned after his canoe overturned in the rapids of the Delaware river.

A sister of Everett's companion, George Redfield, 16, also of New Hope, told authorities the two boys had gone to "shoot the rapids" yesterday. Betty Redfield, 17, said she saw their canoe capsize in the swirling waters. Redfield clung to the canoe and eventually struggled to the shore.

DYNAMITE SET OFF IN A NEGRO COLLEGE

Jacksonville, Fla. (AP)—Two sticks of dynamite blew a small hole in the roof of Walker Vocational College here early today.

The Negro college is a polling place in today's second Democratic primary election.

Police Capt. J. D. Eddington made the report and said two sticks of dynamite also were found on the porch of David H. Dwight, Negro, president of the Duval County Democratic Alliance, a political organization. Dwight's home is about a block from the college.

PRESBYTERIAN CHURCH IN U. S. A. PROTESTS Religious Freedom Attitude in Colombia

New York (AP)—The Presbyterian church in the U. S. A. was asked today to protest the "denial of the exercise of religious freedom" to Protestants in Colombia, South America.

A foreign missions committee, headed by J. Douglas Brown, of Princeton, N. J., recommended to the church's 164th annual General Assembly, its top governing body, that it take the action.

The resolution calls upon the Colombian government and the Vatican to seek restoration of "religious freedom" in Colombia.

Action by the assembly on the proposed resolution was scheduled for this afternoon.

The assembly decided to meet next year in Minneapolis, Minn., after an invitation was extended

MIGHT OF BIG THREE LINKED IN NEW PACT

Paris (AP)—The Big Three powers backed up the six-nation European Army Pact today with a new declaration that they would consider a Communist attack on Berlin, West Germany or any other part of free Europe a "threat to their own security."

The declaration was coincident with the ceremonial signing of the Army Pact and related agreements by France, West Germany, Italy, Belgium, The Netherlands and Luxembourg which, when ratified, will merge their armed forces into a single army of one million men—history's first peacetime international force.

The pact is a companion to the peace treaty signed at Bonn yesterday by the three Western powers and the West German Republic.

By their declaration, Britain and the United States thus served notice on Germany, in answer to French desires, that she must not attempt to withdraw from the European Army on a lone wolf course once her armed forces are built up.

The declaration added that the three big powers considered their continued presence in Berlin as "essential elements of the peace of the free world in the present international position."

"Accordingly, they will maintain armed forces within the territory of Berlin as long as their present responsibilities require it. They therefore reaffirm that they will treat any attack against Berlin from any quarter as an attack upon their forces and themselves," the three powers said.

In addition, the members of NATO and the European Army signed protocols pledging each organization to come to the help of the other in the event of armed attack—a guarantee chiefly to West Germany since the others are covered by the Atlantic Alliance.

Oil City's Fighting Ace Is Planning To Return Home Soon

Tokyo (AP)—Col. Francis S. Gabreski, of Oil City, Pa., a leading ace of Korea jet battles and the propeller-powered air fighting of World War II, is going home soon.

No announcement has been made of his next assignment. His tour in Korea ended when he completed 100 combat missions. He shot down 6½ Red jets, second highest total in Korea.

The American Ace said today the Russian-built MIG-15 jet which the Communists fly in Korea, a "fine interceptor."

But he added "our record at the 51st is proof of the superiority of Sabrejets and the superiority of our pilots."

He noted another outstanding difference between the fighting in Korea and that in Europe.

In Korea, he said, "we can't follow the enemy planes all the way back to their bases—they have the Yalu River Sanctuary."

United Nations planes are forbidden to cross the river that separates Korea from Manchuria.

His wife, Catherine, and their four children live at Battle Creek, Mich. His parents, Mr. and Mrs. Stanley Gabryszewski, reside at Grandview Rd., Oil City, Pa.

Texas Dems and G. O. P. Each Seem Bent on Having Two Sets Of Delegates at Convention

BULLETIN
Hartford, Conn. (AP)—Gen. Dwight D. Eisenhower's backers in Connecticut won all 22 of the state's Republican national convention delegates today. They beat off a brief last-minute effort by supporters of Sen. Robert A. Taft to elect two delegates favorable to him.

By The Associated Press
Texas Republicans and Democrats alike seemed bent today on having two sets of delegates each to the presidential-nominating conventions.

In each camp—Republicans at Mineral Wells, Democrats at San Antonio—state conventions were split in two.

Backers of Gen. Dwight Eisenhower and Sen. Robert Taft of Ohio were at loggerheads in Mineral Wells, where 38 delegates will be chosen. The San Antonio convention, to pick 52 Democratic delegates, was cleft along Truman lines.

Due east of Texas, it was a different story. A half-million turnout was expected for Florida's second presidential primary of the year—today's big prize being its 24-vote Democratic delegation.

In Missouri it was all over but the ultimate balloting. A Jefferson City Democratic convention yesterday put together a 23-vote undivided delegation to the July 21 convention at Chicago.

Two other state conventions were on today's calendar—Kentucky Democrats with 26 votes and Connecticut Republicans with 22.

And the campaign wheels were spinning furiously in California, where 70 GOP and 68 Democratic delegates will be elected in a primary a week from today.

In Connecticut it was Taft-vs.-Eisenhower, too.

Barring a long-shot upset, the state convention at Hartford was prepared to put all 22 of its votes behind Eisenhower.

At Louisville, Kentucky Democrats were set to stamp "for Alben W. Barkley" across their 26-vote slate. The party's state committee has endorsed native son Barkley for promotion from vice president to President.

California's preferential ballot lists four slates of delegates, two from each party.

The Associated Press tabulation of nationwide delegate strength shows Taft ahead of Eisenhower 399 to 359. Kefauver leads the field among Democrats.

Safety Advisory Committee Recognizes No-Death Traffic Record in the Boro

Warren and other places in Pennsylvania with no-death traffic records for last year will receive the National Safety Council's certificate of award, it was announced today by Otto F. Messner, chairman of the Governor's Highway Safety Advisory Committee.

In addition, special citations from the committee will go to the 38 localities which have managed to evade death on their highways for three or more years.

Mr. Messner said today that the 94 communities which have kept their streets and highways fatality-free for 1951, which includes Warren, will be recipients of honors to be conferred by the committee at appropriate ceremonies. He recalled that only 85 communities were cited in this manner for 1951.

Group of Yanks Stationed In Gravel Pit Near Pusan Killed During Well-Planned Red Raid

Tongnae, Korea (AP)—About 30 guerrillas overran a small U. S. Army camp here Friday, killing five American soldiers and a Korean houseboy.

Two other Americans were wounded, and two escaped injury. Survivors said it was a well-planned Red raid to obtain weapons. The guerrillas got two .30 caliber machineguns, 2,000 rounds of ammunition and seven rifles.

The small American force was stationed in a gravel pit here, about eight miles north of Pusan.

The guerrillas, armed with U. S. rifles, attacked without warning about 12:30 a. m.

A Negro soldier said the guerrillas killed a sentry, then began shooting their American rifles, shouting and throwing grenades, apparently at random.

The survivor said the few soldiers in the camp jumped to defense posts. He said a red-haired American manned a machinegun and that he protected the machine gunner's back with his carbine.

The soldier said his carbine jammed and he was hit. The red-haired soldier fired until killed by a grenade.

The Negro was wounded. He said he pretended he was dead as a guerrilla took off his shoes. He said the raiders struck soon after a convoy of 15 dump trucks left the gravel pit.

"They knew we would be alone for two or three hours until the trucks came back."

If the guerrillas suffered any casualties, they carried them back into the hills less than an hour after the attack began.

The fighting was heard at a U. N. hospital for prisoners of war. A jeepload of Americans and South Korean police, summoned by one of the two uninjured survivors, arrived at the burning camp at 2 a. m.

They found bodies scattered over a wide area.

Two wounded Americans and two dead soldiers were in the area about the tents. The Korean houseboy had been stung over an embankment onto the dry creek bed.

A hundred yards beyond the tents, Korean police found a fatally wounded American crane operator and a wounded Korean laborer.

On the other side of the creek bed bodies of two other Americans were found. They had been shot in the back. The wounded Korean laborer said he watched the attackers drag the Americans across the stream bed and then shoot them.

The Americans who escaped ran out the back door of a tent when the shooting began. One ran for help. The other, who was barefoot, hid on a hillside.

McGranery Pledges Law Violators Will Be Apprehended, Prosecuted, Convicted

Washington (AP)—James P. McGranery took office as attorney general today and said law violators will be "apprehended, prosecuted, and convicted."

But, McGranery said, this will be done "with due protection of their civil rights as guaranteed by the Constitution, 'without the terror-harvest of the witch-hunt, and without the tumult and chaos that follow in the wake of scare headlines and in the wake of reckless charges and baseless accusations.'"

The oath-taking was witnessed by approximately 3,000 persons, including Vice President Barkley, several members of the Cabinet, a big delegation from Congress, and department employees. Chief Justice Fred Vinson swore him in.

McGranery, 56, gave up a federal judgeship in Philadelphia to take the job. His new post pays better—\$22,500 compared with \$15,000—but its future is less certain. Federal judges are appointed for life.

Truman indicated in a speech yesterday that one of his new attorney general's first jobs will be to look into the private power companies, which the President said are spending millions and millions of dollars to poison people's minds against public power projects.

The President said the companies spend the money for advertising, which he called propaganda. He said this costs the people in two ways—through rates they pay and through taxes because the firms charge off advertising expenses for tax purposes.

CATHOLIC EUCHARISTIC CONGRESS CONVENES

Barcelona, Spain (AP)—Purple-robed cardinals, archbishops in violet and pilgrims from all over the world gathered in this ancient city to pray for peace at the opening today of the 35th International Catholic Eucharistic Congress.

The congress—first in 14 years—was to open officially with the arrival this afternoon of Pope Pius XII, representative, Federico Cardinal Tedeschini. Already a half million visiting faithful jammed Barcelona.

Jaycees Name New Officers and Talk Celebration Plans

Alex Fino was elected president of the Warren Junior Chamber of Commerce at a meeting held in the YMCA, Monday evening, to succeed Harry F. Schmidt, who has served successfully during the past year.

Other new officers elected by the Jaycees are as follows: Milton Dahler, internal vice president; Fred Thompson, external vice president; George Templeton, treasurer; and James Bailey, secretary.

In addition to the newly elected officers, the directors are as follows: Gordon Elmquist, Jack Barr, Charles Swanson, Alan Blair, John Smith and Harry F. Schmidt.

Prior to the election, the outgoing board of directors met and transacted necessary business.

Plans have been made for the Jaycees to meet in conjunction with General Chairman Jack Barr and his July 4th celebration committee, June 10, to consider celebration plans and to arrange for Jaycee helmets to be worn by the members during outside activities such as the celebration, at the circus July 18, the coaster derby and others.

"WIGWAM" TO REOPEN

Clyde and Olga Miller announced today that "The Wigwam," on the Rocks of the Warren-Scandia road, will reopen for 1952 business, Memorial Day, May 30. Pastor Returns To His First Charge

Irvine—Despite the inclement weather, and thunder storms, every pew in the Irvine Presbyterian church was filled Sunday afternoon when Dr. Arthur B. McCormick, retired Presbyterian minister, came back to his first parish, just 55 years and one week after his ordination in the same church.

Dr. McCormick spoke feelingly of the occasion and gave a resume of the intervening years of his ministry before bringing a splendid message which dealt with

the influence of the church and its members.

At the close of the service, members of the parish and friends from Br. Ford, Port Allegany, Titusville, Warren, North Warren, Youngsville, Pittsfield, Garland and other neighboring places had the pleasure of greeting the speaker.

Many of the visitors attended the local church in their youth, and have never forgotten its teachings and are now carrying on in churches of their own home towns. Irvine church is always happy to welcome them on their return visits.

The Missouri river watershed covers one-sixth of the area of the United States.

Rush Award To Be Presented Hospital Official June 3rd

A special committee from the Kiwanis Club in cooperation with the Warren County Medical Society is completing plans for the dinner that will be held at the Y. W. C. A. at 6:30 p. m. Tuesday, June 3, when Attorney R. Pierson Eaton, Kiwanian, and president of the board of the Warren General Hospital, will be presented with the Benjamin Rush Award.

This award is made annually by the Medical Society to the Warren county layman who has made the most outstanding contribution to medicine, and the 1952 award has been voted to Mr. Eaton for his untiring services as a member and president of the Warren General Hospital board of trustees.

Invitations have been extended members of all service clubs in the borough and county, the Warren County Bar Association, Medical Society, etc. Those accepting are invited to bring their ladies, and a large crowd is anticipated. Clifford Terry, 338 Pennsylvania avenue west, telephone 973 or 3379-J, is in charge of reservations which should be made by May 28th.

An entertaining program is being arranged, which will include music, welcoming remarks and presentation of the award by Dr. J. R. Sugerman, president of the Warren County Medical Society.

A complete report on the plans will be made at the meeting of the Kiwanis club Wednesday noon at the YWCA.

Smoker Planned To Raise Funds For Aid of Blind Man

Proceeds from a smoker planned by members of the Marconi club, June 2, will go for the purchase of a Seeing Eye Dog for a local resident who is permanently bereft of his eyesight.

The smoker will be held at 7:30 p. m. Monday, June 2, at Marconi Outing club where Lou Critelli has booked what he claims to be the best smoker show ever brought to Warren.

The proceeds from the smoker will not only be used for buying this fine animal, but will also pay for a two weeks' training course for the blind gentleman and his dog at the famous kennels in Morristown, N. J., location of The Seeing Eye, Inc., as well as his railroad fare to and from Morristown.

Club members are looking forward to their largest attendance record in order that the necessary funds may be forthcoming.

HOLSTEIN CLUB WILL VISIT NEARBY FARMS

Members of the Warren County Holstein Club will visit three Chautauqua county farms on June 10, according to plans announced by Merle Dodd, tour chairman, at a meeting held Wednesday evening at the home of Richard Triskett.

Beginning the tour will be a visit to the Sugar Grove milk plant at 10 a. m., followed by a drive to the farm of George and Harold Cowles, near Ashville. After inspection of the farm, a picnic lunch will be served.

The afternoon program calls for visits to the farms of Frank Walker, near Falconer, and Mark Haskins, on the Stillwater-Falconer road.

900 TAXPAYERS CAN'T BE WRONG

There are many arguments to justify the demands of taxpayers that the new school program provide that at least three lower grades be continued on the East Side, either in the South Street building, or in a structure that may be erected for the purpose.

It is a significant fact that the group that has appeared twice before the board represents 900 taxpayers who signed a petition presented to the directors on May 4th, and it must be admitted that such a document carrying so many names of persons interested in a community project, should carry considerable weight with duly elected officials.

The group has been informed that the state law permits children, even at the tender age of six, to walk a mile and a half to school, but that law doubtless does not take into consideration circumstances that would exist on the East Side, if the South Street school is abandoned entirely, which would compel tots to traverse that distance across a dozen or more of the most dangerous intersections in town, perhaps four times daily.

Warren is included among towns in the country that have just experienced one year without a traffic death. Only by the united cooperation of every citizen, civic group, public official, (including school board members), and the children themselves, are such records made, and it is by anticipating and eliminating hazards that towns like Warren are able to be included in this enviable class.

It would seem that instead of waiting until the new Jefferson Street building is opened in 1953, to make a decision, the Board must plan now to safeguard the first graders of the East Side in years to come.

Here And There

An unusual governmental situation at the Corplanter Indian Reservation in Warren County is pointed out in a recent release from the State Planning Board of the Pennsylvania Department of Commerce. In 1796, the General Assembly of Pennsylvania, in token of its gratitude to Chief Cornplanter of the Seneca Indians for his assistance to the American government in the troubled period after the close of the Revolutionary War, granted a section of land perpetually to the descendants of the chief as a site for his town of Genesedaga. That land, by act of the Legislature, was exempted from all future taxation the sale of liquor was prohibited within the reservation area, a school was established and a grant of \$100 a year was made from the funds of the Commonwealth to support the school. The Commonwealth still assumes responsibility for the school, the release points out, but the school now occupies a unique position in the public school system of Pennsylvania in that it is not included in any school district. It is directly under the supervision of the Warren County Superintendent of Schools. This year the Commonwealth contributed \$6,800 for its maintenance.

Berdina Abbey and Mr. and Mrs. Clarence York, her uncle and aunt, R. D. 2, Warren, recently returned from the Woodrow Wilson Rehabilitation Center, Fishersville, Va., where they were guests of Ross O. Spencer, who is a student there. The Center proved very interesting to the Yorks, this being their first visit there. Mr. Spencer took them around to the various shops which were in operation and to the Recreation Hall, gymnasium and other points of interest. They also stopped at the infirmary where Mrs. Abbey had been employed up until recently. While in Virginia accompanied by Mr. Spencer, they took a ride on the Skyline Drive which winds its way along the crest of the Blue Ridge Mountains. Numerous parking "overlooks" along the drive give the tourists a different view from each side. On one side are the Piedmont Plains and on the other the beautiful Shenandoah Valley and the distant Massanutten and Allegheny Mountains. An unusual feature of this drive was the experience of going through a 700-foot tunnel which is cut through solid granodiorite, of what is known as Mary's Rock. They also visited the Luray Singing Tower which contains forty-seven bells the largest weighing over 7,000 pounds, the smallest 12½ pounds. Another interesting drive

was through the farming country of the Amish, where they met several natives with their broad-brimmed hats, dark gloves, driving in their twin-lighted buggies with fine driving horses. Other famous points visited were Woodrow Wilson's birthplace. Coming home the party drove 155 miles over the Pennsylvania Turnpike, which proved an added delightful experience, to the tour, which celebrated the birthdays of Mrs. Abbe and Mr. Spencer, the real motive of the trip.

VETERANS' INFORMATION

QUESTIONS AND ANSWERS

Q—I bought a home with a GI loan. I'm going back into military service, and I don't think I'll be able to meet my full payments. Is there anything I can do to reduce them to fit my income?

A—Discuss your situation with the holder of your mortgage. If your total income while in service isn't enough to keep up your regular payments, you may make arrangements with him to pay as much as you can. The amount you are unable to pay will be postponed until you are discharged. At that time, you should make arrangements with the lender to pay it back.

Q—I expect to complete law school this spring under the GI Bill. May I enroll in a bar review course, also under the GI Bill?

A—No. A bar review course usually is a review of what you learned, rather than an advancement or progression to a higher level of knowledge. Under VA's post-cut-off-date regulations, additional training must be a progression to the next higher level.

Q—A friend of mine failed to report for a physical examination in connection with his VA compensation claim. Will his compensation be cut off?

A—Unless he has a good reason for failing to keep his appointment, his compensation will be suspended. When he eventually reports, retroactive payments may be made if he presents evidence clearly establishing that his disability existed to a compensable degree during the intervening time.

Q—I hold GI insurance and pay my premiums monthly. Would I save any money if I started paying them once a year, in advance?

A—Yes. You would save three per cent by paying your premiums annually. Of course, you'd also be saving the government money in reduced bookkeeping costs.

COUNTY FARM AGENT NEWS

Five ways for reducing weather hazards in producing farm forage crops will be stressed at the district Grassland Field Day to be held June 6 at the Crawford County Home farm at Meadville, reports County Agent Steve Tritt.

First of the five is to make grass silage of the rank growth that requires cutting during the early haymaking season when showers often are frequent and the chances for field curing uncertain. Actual silage harvesting operations will be demonstrated, also the use of sulphur dioxide as a silage preservative.

Standard mow finishers and heat-controlled hay dryers that permit the handling of hay with high moisture content will be on display.

Irrigation systems throwing a continuous spray of water will demonstrate a way for keeping pastures thrifty during dry seasons, while persons interested in tile drainage can get information on this method for removing excess water during wet spells.

Grass and legume mixtures that thrive during dry weather offer another way to combat drought. Staggered haying seasons made possible by use of forage varieties of varying maturity dates help speed the haymaking work load and permit cutting greater acreage when the crop is at its prime.

Information on these last two possibilities—hot weather pasture and staggered haying—will be supplied by research varietal trial plots of many different grasses and legumes. Information on performance of these plots will be available as guides to farmers on adaptability, survival, and other key factors involved in the choice of farm forage seedings.

Now your sink can be brighter-whiter... sanitary... disinfected!

KILLS*GERMS!

*In actual laboratory tests, Bab-O has been proven again and again to kill or inhibit common disease germs causing dysentery, typhoid fever, pneumonia and other diseases!

Did you know this? Even clean looking sinks may harbor dangerous germs! Right where your home should be cleanest, tens of thousands of germs may breed in the tiny, invisible porcelain pits and scratches... tiny holes that trap leftover bits of grease and grime. These germ-laden particles form a dingy film called Sink Smog—and grey, greasy Sink Smog nourishes bacteria, helps them grow and multiply!

New sanitizing Bab-O sweeps away germ-laden Sink Smog in seconds! Good news for every family! New Bab-O—the world's sudsiest, best-cleaning cleanser—now contains 4.25% Sodium Dodecyl Benzyl Sulfonate. Not only cleans your sink but also sanitizes your sink! New Bab-O with "suds" deadens common infectious disease germs that might cause dysentery, typhoid and other diseases!

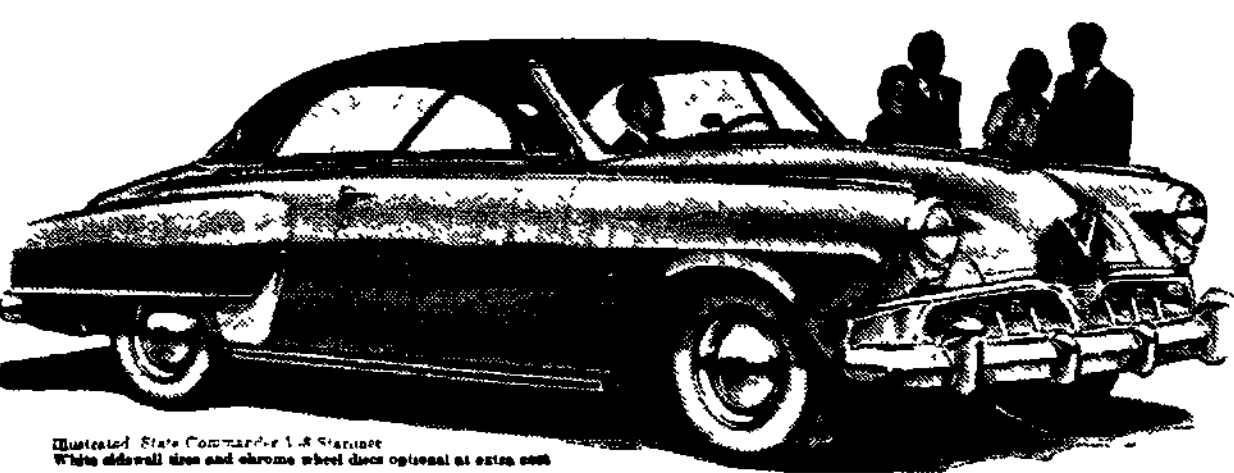

Here's How! Bab-O is the world's sudsiest cleanser... has millions more suds... power-packed suds that dig deep into porcelain pits and scratches... power-packed suds that work sanitizing "suds" way down where germ-laden Sink Smog sticks. In seconds, Bab-O blasts bacteria-infested Sink Smog loose, sweeps it down the drain!

New sanitizing Bab-O! Clean, fresh fragrance! Kind to hands!

"There are tens of thousands of germs in every kitchen sink. But new Bab-O makes your sink safely clean!!"

The Post Office Bulletin Board

Items of public and staff interest from the Warren Post Office

Next Monday, June 2, Postmaster General Jesse M. Donaldson will deliver an address to the Ohio State Convention of Postmasters on the subject "Know Your Postal Service." It is to be a sort of opening gun in an educational campaign to acquaint people with the many ways in which THEY may help to improve postal service by more intelligent mailing habits. This address will be broadcast from Columbus over the CBS network. Local listeners should be able to pick it up from Buffalo and get a half-hour of worthwhile and interesting listening. This educational program is no

attempt to "pass-the-buck" to the public on poor postal service. Mail does go astray—packages do get damaged—letters, usually the v.c. ones you want delivered the quickest, do get delayed, but—and this seems a most difficult point to get across—a large proportion of these short-comings could be prevented by just a little more care in preparation or timing by the mailers.

For example, you write a letter to friends in Pittsburgh—on a Thursday evening, we'll say—telling them you're driving down Saturday. You put the letter in your mailbox so the carrier will pick it up Friday morning. Now, what happens? We'll suppose the carrier gets the letter around noon. Does that mean it's on its way to Pittsburgh? Not at all. He carries it with him the rest of his trip and it finally reaches the Post Office about 4:30. It will catch the 7:20 dispatch via Erie R.R. or, certainly, the evening Pennsylv-

ania R.R. train. But neither of these routes will put that letter in Pittsburgh in time for their city delivery next day. So, you arrive at your friend's to find they aren't expecting you—no letter. And you'll probably say, indignantly, "Why, that lousy post office. I wrote you way last Thursday!" Actually the letter will not be delivered until Monday, unless you sent it Special Delivery.

But, suppose you had brought that letter to the Post Office yourself, Friday morning, instead of giving it to the carrier. (You probably came over town anyway that morning for shopping). It would have caught an early dispatch and been in Pittsburgh the night in plenty of time for carrier delivery Saturday morning. Shows what just a little intelligent planning will do.

By the way, have you ever wondered how far your mail carrier walks in a day? (Almost 14 curb miles from start to finish). Well, we have one route that measures almost 10 1/2 miles from the curb line. Counting his trips from sidewalk to houses and back that carrier walks close to 25 miles every day. And he's carrying a heavy load most of the time. Like his job? He does; and he probably takes a hike Sundays just for the fun of it.

Philomel Presents Pleasing Program For "Rotaryanns"

Members of the Warren Rotary club, with their wives, the "Rotaryanns," as their guests, enjoyed one of the finest programs in the club's history, Monday, when the Philomel Chorus presented six selections from Gershwin's American opera, "Porgie and Bess" and thereby won tremendous applause and expressions of appreciation.

Mrs. Barbara DeFrees, the leader, sang the solo parts of "Bess" while Mrs. Violet Borg vocalized as the faithful "Porgie." Miss Adelaide Swanson was accompanist and members of the Chorus were: Mrs. Florence Aldrich, Mrs. Helen Potter, Mrs. Gladys Hagenlocher, Mrs. Eleanor Slick, Mrs. Bertha Douglas, Mrs. Eleanor Thompson, Mrs. Eleanor Ristau, Mrs. Louise Hampson, Mrs. Dorothy Wilson, Mrs. Marion R. Whipple, Mrs. Edna Lundahl and Mrs. Jean Beach. Mrs. Aldrich explained the opera's setting, the Charleston waterfront, and added much to the program with a word of explanation before each number.

Centering the long tables were beautiful miniature sleighs of wire and glass, flower-filled, which developed to be not only table decorations but gave forth individual shoulderettes for each Philomel singer and the Rotary wives. The sleighs were the handiwork of Ernie Hagenlocher, program chairman for May.

In addition to several visiting Rotarians, the WHS senior guests for the day were Richard Genberg and James Valone. Dr. A. B. McCormick asked the blessing.

Garland's Radecki twin boys are old enough now to go to Sunday school alone. Sunday was their first experience.

Friends are receiving very clever cards announcing the recent birth of a daughter to Mrs. Ernest Storch, daughter of Mr. and Mrs. H. G. Irwin of Garland. The card portrays a New York Central train coming down a hillside at the foot of which is the office of the Irwin Mfg. Co., where Mrs. Storch was employed. The first car of the train tells the year her first child, Tanya, was born, 1937, the second car the son, Irwin, 1941, and in the caboose the date, 1952, with the stork hovering overhead with his blessed bundle. The bill of lading makes the consignee Adella and Ernest Storch, delivered at Warren General Hospital, description of goods: one girl, Victoria Marguerite, weight 7 lbs., 11 oz. It is received by Adella Storch on May 10, 1952. Congratulations

Well Known Writer To Be Speaker At Grade Crude Meet

Michael MacDougall of New York City, writer and lecturer on crooked gambling, will provide the entertainment feature at the dinner concluding the one-day annual meeting of the Pennsylvania Grade Crude Oil Association June 5 in Hotel William Penn, Pittsburgh.

MacDougall, in 18 years of tracking down sharpers who cheat the unwary at cards, dice and roulette, has acquired a reputation as the country's foremost exposé of gambling frauds.

His articles have appeared in The Reader's Digest, Life, Cosmopolitan, Esquire and American Weekly. He has written a book called "Gamblers Never Gamble" and has a new one ready, "Adventures in Gambling."

He is expected to tell the actual stories of gamblers he has known who lived, and sometimes died, on the turn of a card. He will demonstrate gambling devices used by professionals to fleece the innocent. His card feats have been described as amazing.

He has served as a consultant to the Army, Navy and many police departments. As a lecturer he has appeared before hundreds of organizations throughout the country.

Failure of the 1845 potato crop in Ireland stimulated heavy immigration to the United States from that country.

Clarendon WSCS Has Meeting And Program

Clarendon—The regular meeting of the Methodist WSCS, held in the church parlors, opened with all singing the hymn, "Jesus Shall Reign." Devotions conducted by Elgin Simpson on the topic "To Declare His Praise," opened with a very fine instrumental number, "Ariele," played by Jane Nelson; hymn, "This Is My Father's World"; scripture reading, meditation and a hymn, "For the Beauty of the Earth"; The Lord's Prayer recited in unison; duet, "Just For Today," Kay Miller and Kay Steele; reading, "How Firm a Foundation."

Emma Miller was in charge of the program, "What Is That In Thine Hand?" with a hymn, "There's a Wideness in God's Mercy," prayer and scripture reading,

with comments and discussion by Mrs. Bauer, Elgin Simpson, Grace McBride and Emma Miller; closing hymn, "From All That Dwell Beneath the Skies;" closing prayer.

During the business session, conducted by the president, reports were presented by the various committees: Mission study, Mary Campbell; the district conference held in Kane, Martha Schneider and Evelyn Meley.

The next regular meeting of the group will be held June 17.

Preliminary announcements are in the mail for the 24th annual Conneaut Lake Bridge Tournament, scheduled at the Oakland Beach Hotel June 26-29. Excepting the Sunday program, all afternoon sessions are scheduled to start at 2:15 o'clock and those in the evening, at 8:15.

GRACE METHODIST CHOIR ENTERTAINED

At 6:15 p. m. Thursday in Grace Methodist church dining room, members of the choir and the music committee were honored by the church with a delightful dinner party. Tables were attractively decorated with bouquets of spring flowers and yellow candles, with dainty corsages as favors. Rev. C. W. Baldwin gave the invocation. Miss Phoebe Finley, as president of the music committee, expressed appreciation for the fine work done by the choir and its leader, Mrs. Edwin Jack.

Following dinner, these choir members were elected to serve as officers in the coming year: President, Ruth Lindquist; vice president, Gerald Newton; secretary, Grace N. Firth; treasurer, C. R. Foreman; librarian, Diane Lord.

COMPLETE COURSE

Clarendon—The VFW and Firemen's Auxiliaries have completed their first aid course of instruction and, at the final session, enjoyed lunch and presented a gift to their instructor, Wendell Peterson. The following will receive certificates: Mary Falbriski, Doris Jones, Elgin Simpson, Helen Nollinger, Mildred Nollinger, Betty McClain, Janina Swartz and Christine Thompson.

Members of the Firemen's Auxiliary are reminded their next regular meeting will be held June 4, when plans will be concluded for participation in the Old Home Week celebration, June 9-14.

GUESTS AT WEDDING

Mr. and Mrs. Frank J. Masterson, 8 Canton street, entertained the following at their home for the weekend and the wedding of their son, Tom, and Marjorie Gnagay on Saturday: Thomas B. Masterson and daughters, Kathleen, Helen and Geraldine, Akron, O.; Mr. and Mrs. Daniel S. Masterson, James F. Masterson and Mary Ann Masterson, Washington, D. C.; Mr. and Mrs. Harry Zirkelbach, Mr. and Mrs. Marvin Geer, Erie.

LOCAL GROUP BOOKED AT FIREMEN'S FESTIVAL

Deacon Dave's Society Seven, booked by Pete Pepke, has signed a contract to appear at the annual Columbus Volunteer Firemen's Festival on Friday night, June 20. The orchestra, delivering a "musical treat for happy feet," will play one show only, starting at eight o'clock, and will feature novelties as well as musical selections.

CIRCLE MEETING

Twenty-one members of the Marian Jones Circle of Grace Methodist church spent an enjoyable evening at the home of Mrs. Clarence Hildum, 17 Russell street, on Monday, with devotions led by Mrs. Frances Sandstrom.

Attention was called to a dinner on June 6, when all circles will gather in the church dining room, and plans were made for the circle's own picnic to be held June 30 at the Berdine camp on Brown run.

Following the business session, Miss Phoebe Finley ably reviewed a portion of the study book, "He Wears Orchids." The hostess was assisted by Mrs. Stuart Loding for a very pleasant social hour.

ELAINE BOVA NAMED

Miss Elaine Bova, daughter of Mr. and Mrs. August Bova, has been elected secretary of the senior class for 1953 at Clarion State Teachers College. She has also been named secretary of the Newman Club for the third consecutive year.

Mrs. George W. Arnold is here from Upper Darby to spend a week with her parents, Mr. and Mrs. A. F. Kottcamp, 18 Russell street. Mr. Kottcamp is confined to his home by a severe attack of sciatica.

Mrs. Mabel Benson Hanlon, of Cleveland, is spending her vacation in Warren and is registered at the Carver Hotel.

Former Director Honored

Mrs. J. H. West, in town on a visit from Miami, Fla., was honored guest Saturday afternoon, when the All-We-Je Club members of the YWCA entertained with an open house and tea in the residence building. Mrs. West served the local "Y" as general secretary from 1919 until 1942, a period during which the residence building was given to the association by the late J. P. Jefferson, and the new activities building was erected about 1924. Much of the funds for the new building came from Mr. Jefferson, also, Mrs. West seeing the retirement of the additional indebtedness and burning of the mortgage before she quit the YW's service. For a few months after her retirement, she was director at the Washington, Pa., YWCA.

Mrs. West still maintains her membership in the local association and is an honorary member of the All-We-Je Club, with which she was an active figure in its early years.

Besides YW members, many other old friends came to the open house to visit over a cup of tea and enjoy a period of reminiscence.

YOUNGVILLE BPW HAS MAY BREAKFAST

Twenty-two members of the Youngville Business and Professional Woman's Club were present Sunday morning at eight o'clock at the National Forge Clubhouse for the group's annual May breakfast. The committee in charge included Dora and Lois Gustafson, Jean Young, Marge Hill, Larry Southall and Mildred Harner. The June meeting of the club will be held with a tureen dinner at the summer home of Mrs. A. N. Stillings on Chautauqua Lake.

and Mrs. Martin Sadler, married May 17 in Williamsburg, Pa.

The home was beautifully decorated with spring flowers, with yellow and green shades used in the decorated wedding cake. In attendance were 65 relatives and friends from Williamsburg, Cleveland, Falconer, Frewsburg, State College, Warren, Akeley and Russell.

Mr. Sadler reports on Wednesday to Great Lakes Naval Training Station for assignment and Mrs. Sadler will live for the present in Williamsburg.

Guest Who Is Boon to Hostess Writes Her Own Social Ticket

LONE women often are a drag on the social market—but not Janie. Janie gets invited everywhere. She is a real asset to any hostess looking attractive and in a party frame of mind.

If the evening is off to a slow start, Janie has a knack for getting a general conversation started. Being a business woman she knows enough of what is going on in the town to hit upon topics that interest men.

And though she could not have too much time for reading, she knows everything interesting in the day's newspapers, including the sports section.

But though she can get the men talking, she doesn't play up to them and ignore the other women. She is just as quick to give Sue a chance to tell about her volunteer job at the hospital as to get Sue's husband to express his ideas on a local political question.

SHE KNOWS HOW TO PEP UP CONVERSATION

SHE can tell a funny story without dragging it out or getting the punch line first. And if conversation is lagging, she just happens to know some new game that catches on because of Janie's own enthusiasm.

Janie never talks a long time, herself. She speaks up often, but not at length. So she is never boring.

And she can be counted on to make the hostess feel that the food is extra special, and that the party is a success.

The whole point is that Janie is a blessing to hostesses, because wherever she goes she pays her way by being the kind of guest a hostess knows she can count on.

Married or single, the Janies of this world are never a drag on the social market.

Debate Continued On Foreign Aid Bill

Washington (P)—The Senate continued debate today on the \$4,900,000,000 Foreign Aid Bill after a sharply worded plea from President Truman asking Congress not to play politics with world peace by slashing the total.

The president last night said the House in cutting his \$7,900,000,000 request by \$1,737,000,000 "picked the two places in the world where the danger is greatest, where the Communist threat is strongest"—Europe and Asia.

Expressing hope that the Senate would restore the money, he said the House action opens the way to Communist subversion in countries of Asia.

There was little prospect of the Senate voting on proposed additional cuts in the \$4,900,000,000 total until tomorrow or Thursday.

Every year, three or four times as many men as women commit suicide.

Summer handbags in new fabrics and straws stress the light and airy look in keeping with other fashions. Black linen box bag by Delili (upper left) with soft contours is given frosting of snowy white chalk beads in graceful flower design. Lucite bag (upper right) is cool, has illusion of sheerness, is easy to keep clean. This one, by Tyrolean, is banded in gold plate filigree. Striped-colored denim (lower left) by Deauville takes on dressy air in this pouch with embroidered white flower design. Natural Madagascar straw cloth, the straw fabric appearing this year in separates, makes suit satchel (lower center) by Kadla that can be wiped clean with damp cloth. Just for fun and conversation, there's a white woven wood market basket (lower right). It has a navy blue linen lid with phrases embroidered in silk. This is a Lou Ash design.

Special Tax Allowance Granted Sylvania Inc.

Included among Pennsylvania plants today granted a special tax allowance for expanded defense projects by the government is Sylvania Electric Products Inc., of Warren.

The allowance granted Sylvania is \$381,750, for electronic equipment and parts. The allowance permits a five-year tax write-off on that portion of the cost of projects which the Defense Production Administration rules are important to defense.

BLOODHOUND TRAILING PRISONER IS LOST

Pittsburgh (P)—Two men have finally tracked down a bloodhound which got lost itself while trailing a prisoner who escaped from the nearby Beaver, Pa., jail.

Duke, the bloodhound, is valued at \$750. Duke was found in a cave at Monaca Heights, near Beaver, by his owner Robert Grimm, of East Palestine, O., and a deputy sheriff after a two-week hunt. The escaped prisoner was promptly captured by Pittsburgh police in a downtown hotel but the hunt for Duke went on until yesterday.

SHOOTS RELATIVES IN MISTAKE FOR GAME

Lock Haven, (P)—Robert G. Dickey, 24, was free under \$500 bond today on a charge of fatally shooting his brother-in-law Samuel H. Lucas, 34, in mistake for game.

Dickey told state police he and Lucas were fox hunting and separated. He said he noticed a movement in the woods, thought it was a fox and fired. The shot hit Lucas in the back.

Coroner Doris E. Kissell ruled the shooting was accidental.

Mrs. Ridgway stepped out of the plane with her husband. An aide followed them, carrying Matt, four-year-old son of the general. The child clasped a brown and tan stuffed dog.

Ridgway was greeted at the foot of the ramp by Eisenhower and Plevien. In the air terminal he was introduced by Plevien to waiting newspapermen.

Ridgway rode through the streets of Paris in the second car of a motorcade with Plevien. He was preceded by the car carrying Eisenhower and Interior Minister Charles Brune. As he passed through working class suburbs, Ridgway could see partly scrubbed out Communist slogans painted on walls saying, "Ridgway go home."

Fascist Movement Is Ahead in Italy

Rome (P)—A new Fascist movement, newly mated with Monarchists, was proving the explosive surprise in returns today from elections in a third of Italy's provinces and towns but the governing Christian Democratic party held control of Rome's City Hall.

The Italian Social Movement MSI which venerates the memory of Mussolini and idealizes his corporate state, in league with wealthy monarchists won Salerno, where American soldiers fought a vicious World War II invasion battle to wipe out Fascism in Italy.

The same bloc won Naples, the great port which is Allied headquarters for Southern Europe, and Bari, where U. S. arms aid pours into Italy. Foggia, great U. S. Air Force Base during the war, also joined the Fascist column.

The MSI surged toward local power in many other places in poverty-stricken, over-populated Southern Italy, and appeared to be challenging the Communists for the position of second biggest party in the country.

Against the Communist and pro-Communist bloc, Premier Alcide de Gasperi's Christian Democratic bloc of the center did a little better in the local contests in 2,400 towns, winning a number of small communities from the Leftists. But the Communists still did well.

RUG AFFIRE

Youngsville firemen responded with three trucks and 12 men to the home of Albert Hendrickson, College avenue, about 8:30 o'clock this morning when a rug, placed over the heat register of a pipeless gas furnace, became ignited. Firemen are of the opinion that the cool morning caused the gas fire to come on in the furnace, and the blaze was started when the accumulation of heat could not escape. They used 450 feet of 2 1/2 and 1 1/2-inch hose, a booster line and smoke masks to combat the fire, which had started in floor joists. Damage, exclusive of smoke, was estimated at about \$150.

MUCH ADO OVER FOAM

Acid foam which entered the river during the heavy rainstorm, Sunday, caused considerable excitement along the Allegheny and several witnesses were sure they saw cakes of ice floating down the Allegheny. According to Pleasant township residents, high water from the rains carried the acid from an old dump in that section into the river, with the result that an unusual sight was viewed for a short time.

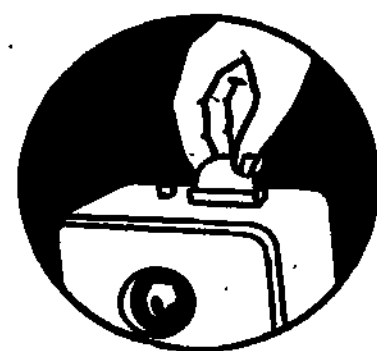

FOUR FOR PHYSICALS

While no call for a quota of Warren county young men for actual induction into the Armed Forces during June has been received by the local Selective Service Board, it has been requested to send four youths to Harrisburg for pre-induction physical examinations. They will leave here on the evening train, June 12.

The Minority Rules, Too!

Thousands of letters have come our way since we first invited our friends to tell us what they thought of A&P. It is gratifying to report that the majority of them have been complimentary. And it did our hearts good to receive them. But since we make it our business to try to please all the people all the time, it's the minority group—those who have made suggestions or criticisms—that we're most concerned with.

We assure you, each and every one receives our attention, for we're doing our best to make everybody who shops at A&P happy.

This is one business where the majority and the minority rule. If you have any criticisms or suggestions on how we can better serve you, please tell your friendly A&P manager.

"I Thought the Gas Gauge was broken"

says Sam Pearce, Seattle, Wash. "If you want pickup, there isn't a car on the road, in any price class, that can beat the Rambler. Yet for economy, the gas gauge goes down so slowly you think it's broken."

It's TRUE. Nash Rambler owners are amazed at the sensational mileage they get. This is the car that holds the all-time record in the Mobilgas Economy Run with 31.03 miles per gallon! This in a real "red-hot" performer with so much room inside! This in such a smart and beautifully equipped car—the only car that comes to you with its many custom accessories at no extra cost!

Come see it. Especially, come drive it. Just take five minutes to discover something absolutely new in handling and parking ease . . . and new in performance, too!

FLAG DAY MEETING

The Elk Lodge Flag Day committee will hold a meeting at the club house this evening at seven o'clock, preceding a rehearsal to be held by officers of the lodge at eight. There will be a discussion of plans for the entertainment of United States Senator Edward Martin, who will deliver the annual oration, and the parade formation will also be considered.

HUMMERICH GRADUATES

Mr. and Mrs. Leo Hummerich, North Warren, will leave on Thursday for South Bend, Ind., to be present at the Notre Dame University commencement when their son, Leo, Jr., will graduate. Mr. Hummerich, Jr., a 1948 alumnus of Warren High school, has been a pre-law student at Notre Dame and will enter Notre Dame Law School in the fall. He will accompany his parents back to Warren on Sunday.

CLARENDON EVENT

The parade committee for the Clarendon Old Home Week, composed of R. L. Bullock and C. S. Jones, reports many entries returned for the makings of a fine turnout to be held Thursday, June 12, at 7:30 p. m. A carnival will be held forth on the ball grounds June 9 to 14. It is a new show and the first time to appear in this section. Wednesday, June 11, will be ladies' night, a home talent show to be presented in conjunction with the event. Friday night will be the kiddies' parade, sponsored by V. F. W. Post No. 314.

KUHRE TO GRADUATE

Walter William Kuhre, son of Mr. and Mrs. Norman W. Kuhre, 601 Pennsylvania avenue, east, will be awarded the Bachelor of Arts degree at Thiel College, Greenville, June 2. Mr. Kuhre is a 1948 graduate of Warren High School. At Thiel he has been active in the International Relations club, Intercollegiate Conference on Government, Lutheran Students' Association. He served as vice president of IRC and as vice president of ISA. His major was Social Science and he plans to enter the ministry. The commencement address at Thiel will be given by Clifford Hood, executive vice president of U. S. Steel.

Here's How Your Foam-Rubber Mattress Is Born

CAKE BATTER? No, it's a test batch of foam rubber being examined by chemist in pilot plant of a control laboratory.

POURING A MATTRESS ... Whipping millions of tiny air bubbles into white rubber latex gives the foam mattress its resiliency. Here the foam is poured, after whipping, into a mattress mold.

CAKE'S DONE ... Looking like a huge waffle, the foam rubber mattress is removed from mold. Each mattress is made in one complete unit and cured in an individual mold, before final processing.

MATTRESSES ON THEIR WAY ... A worker carefully trims foam rubber mattress, to insure smooth surface. Mattress then is tested for strength and resiliency before being sent to get ticking cover.

FINISHING TOUCH ... Special sewing machines are used to stitch ticking to finished mattress. [These pictures were taken in the Woonsocket, R. I., plant of the United States Rubber Company.]

GRANGE MASTERS TO MEET THURSDAY NIGHT

The quarterly meeting of the Grange Masters, Past Masters and Lecturers Association of Warren and Forest Counties will be held in the Farmington Grange Hall at Lander at 8:15 p. m. Thursday.

Officers of Warren County Pomona Grange No. 10 will all the chairs and conduct a "model" Grange meeting. Pomona Master Fred Simones will be presiding and Lecturer William Brooks will be in charge of the program.

All Grange masters and lecturers of the area are especially urged to be in attendance and all Grange members are welcome.

GASLIGHT

As early as 1824, on the occasion of Lafayette's visit to the United States, a house in Fredonia, N. Y., was illuminated by natural gas in his honor.

Warren Flight Of Air Reservists To Meet Wednesday

In connection with the activities of the Warren Flight of the Air Reservists, which meets at eight p. m., every second and fourth Wednesday of each month at the American Legion Home, the following is released by Burton W. Eckhardt, Captain, public information officer of the 9307th VARTU Squadron located at Salamanca, N. Y.:

"Activated in September, 1951 with just a few Air Reservists, the 9307th VARTU Squadron located in Salamanca, New York has now reached a total of 100 Air Reservists assigned the Squadron, under command of Lt. Col. John G. Krieger, has flights located in Olean, Cuba, and Salamanca in New York, and Bradford and Warren in Pennsylvania. The most recent flight addition to the Squadron, located in Warren, was just this week activated by Headquarters, First Air Force, Mitchell Air Force Base, New York. The Warren Flight is headed by 1st Lt. John Newmaker. First efforts to establish a flight in the Warren area were made in February 1952 by Lt. Col. James W. Ferry and Capt. Newel T. Henrich of the Bradford Flight. Several organizational meetings were held pending receipt of competent orders authorizing this flight to meet and conduct inactive duty training. The addition of the Warren Reservists brought the Squadron total assigned up to 100. This total is the result of untiring efforts by reservists in the Squadron, and the Air Force representative on duty in Salamanca, N. Y. to sign up reservists and ex-servicemen in the VARTU Program. This job has been most difficult due to the fact that many of the reservists being assigned to a VARTU Squadron or Flight would mean being recalled to Active Military Service. This belief is untrue since the Air Force at the present time is not calling reservists back to

Slippery Rock President To Give Commencement Talk At Sugar Grove This Evening

Principal Everett Landin has announced plans for commencement of the Sugar Grove-Farmington Joint School.

Dr. Wayne Furman, district superintendent of Jamestown, District of the Methodist church, delivered the Baccalaureate sermon Sunday.

Dr. Dale Houk, president of Slippery Rock State Teachers College, will deliver the address for Commencement, Tuesday, May 27, at 8:15. Both programs will be

presented in the high school auditorium. Tuesday admission will be by ticket only. However, seats will be held only until 8:10, and plans have been made to take care of the overflow in other rooms by using the public address system.

Through courtesy of Nelson Store, Jamestown, the school has been loaned a Baldwin electric organ for the two programs. Mrs. Ruth Titchner will be organist, Sunday, and Mrs. Valda Papalia, Youngsville, Tuesday evening.

Former Resident Wins Praise of Tulsa Paper

A Mother's Day issue of the Tulsa World carried an attractive picture of a former Warren resident, Mrs. Mary Roy Southard, mother of Don G. Roy, 1719 South Carolina avenue, that city. Mrs. Southard went to Tulsa from Warren in 1907, and the World says: "Since that time she has been one of Tulsa's most active mothers in organizations. She is still an active member of the Tuesday Book Club and the Daughters of the American Revolution, and was one of the original members of the Tulsa Library Board and of the Tulsa Boys' Home."

There are many older readers of the Times-Mirror who will remember Mrs. Southard and the Roy family, early settlers of the community.

Versatile Artist Will Give Concert In Mission Church

Sugar Grove, May 27—Eugene Lundberg, an ordained minister in the Evangelical Mission Covenant church, will present a concert at the Sugar Grove Mission Covenant church Wednesday evening, May 28 at 8 o'clock. An offering will be taken.

Mr. Lundberg has given his full time to sacred concert work since 1948. During the summer of 1947 he toured in Scandinavia as tenor soloist for the Swedish Christian Male Chorus of Chicago. He studied voice with Stanford Hulshizer of Drake University of Des Moines, and in Chicago with Clifford Toren.

His program is made up of old familiar hymns, a few of the great sacred classics and Negro Spirituals. In addition to the singing, he spends part of the hour doing chalk drawing, so the children are invited to attend. He did commercial art work in Des Moines before going to the seminary, and has done considerable mural and altar painting.

Charter Presented To Clarendon Cubs

Clarendon, May 27—The May meeting of Cub Scout Pack 32 was held in the school building. Presentation of the new Pack charter was made by Rutledge Sanford, county executive. Earl Brian, Cub Master, presided at the Pack meeting, and gave Den 1 and Den 3 their Den numerals, while Dick White was given his Wolf badge. The Den Mothers, both past and present, were presented with their pins.

Chairman of the Pack Committee, Clayton Larson, received the Charter from Mr. Sanford, who in turn presented the Pack with awards for registering on time and for man power. Membership cards went to all Cubs and all Pack members. Both Mr. Sanford and Vance Weld were speakers, and offered valuable suggestions in furthering the success of the Cub Pack.

A most gratifying number of parents and Cubs were present, and plans were made for the summer activities. The Pack Activities Committee will meet June 2nd at Mrs. Margaret McBride's home to complete plans for special outings each month. Summer dates will be June 28th, July 24th, and August 28th.

Reading Club At Sugar Grove Elects Officers for Year

Sugar Grove—Officers elected at the closing party of the Reading Club, were President Mrs. Travers Stohberg; vice-president, Mrs. Scott Stuart, Jr.; secretary Mrs. Gerald Miller, and treasurer, Miss Carriell Swanson.

The president appointed Miss Swanson, Mrs. Gerald Rhodes, Mrs. Carl Norbeck and Mrs. William Norbeck, program committee.

A delicious supper was served in the dining room from a buffet table centered with an arrangement of spring flowers, with smaller bouquets on the small tables. The committee was Mrs. Arthur Cody, Mrs. Frank Conklin and Miss Josephine Ricker. Twenty-two members were present.

Mrs. Stohberg presided at the business meeting and the bill for cleaning the library and council rooms was ordered paid. The club has taken this work as another of its various projects.

The club sponsors the monthly baby clinic, the library, and other civic projects.

No Busy Days Are Still Ahead for the Best X-Ray Unit

With approximately 4,500 chest X-rays already having been taken by the mobile unit which has operated in Warren county since May 1 under auspices of the Warren County Tuberculosis Society, the unit located at 8 a. m. today near the Anderson Baking Company. Served from this point of vantage were the bakery employees, certified Electric Co., and Myers laboratory. Later, the unit moved to the Armour Company plant to service its personnel as well as the Oneida Lumber Co., Soda and Mineral Water Co., and Warren Beverage Co., and at 10 a. m. went to the Penn Furnace and Iron Co., with the afternoon hours due to be spent at the Struthers Wells plant where over 500 were expected to have X-rays taken.

Saturday will go down in history as one of the unit's busiest days, almost 900 having dropped in at Second and Liberty to have X-rays taken and there was not a break in the line from 9 a. m. until 5:40 p. m. Registrations were made in the Pennlec offices, closing at 5:15, and the last "customer" filed out of the unit at 5:40. Homer Mohr pointed out that all

FARM NOTES

Timely Reminders From The Pennsylvania State College School of Agriculture

Grow Cattle on Grass—To make a profit on beef cattle let them get the main part of their feed from grass on pasture and in silage, says C. A. Forge, extension livestock specialist of the Pennsylvania State College. Then feed them some grain to put on market finish. Of course, they will have to have water and salt also.

Consider Costs—Buying a new machine may be "in" but it is not always good business, reminds William Johnstone, extension agricultural economist of the Pennsylvania State College. Some farmers go into debt to buy a piece of machinery when it would be better to remodel the barn to hold more cows, or maybe pay off the mortgage.

Appearance Counts—Whether a customer buys depends to a large extent on the appearance of the product as well as its essential goodness, declares Herbert F. McFeely, extension marketing specialist of the Pennsylvania State College. Vegetables, for example, should be clean, and sorted for size.

Potatoes Rated—During the past four years, late potato varieties in extension demonstrations, have yielded in the following order: Ontario, Sebago, Russet Rural, and White Rural, reports Elmer Pifer Penn State extension agronomist.

Chicks Roost Early—Give chicks

a chance and they will roost at an early age, says F. H. Leuschner, Penn State extension poultry specialist. At 3 to 4 weeks of age they will climb up on roosting platforms of 2-inch roosts, with wire underneath.

Control — Worms on cabbage and related crops in the home garden can be controlled with rotenone dust or spray, reminds Lloyd Adams, Penn State extension entomologist.

Warren High Dragons Outstanding in the 1952 Track Campaign

SCALISE MORLEY SHEA DELEO KRESPAN PASTRICK HEGERTY NINE MAHAFFEY HARRINGTON

By ALLEN ANDERSON
PICKED AS A POWERHOUSE pre-season practice, the Warren High Dragons track and field team lived up to every bit of its reputation by finishing the 1952 campaign undefeated with seven victories in dual and triangular competition and, in addition, placed third in the District 10 meet and as represented in six events at the State PIAA meet in State College last Saturday.

Loyal Briggs started his first year as head coach with 10 veterans and will have 12 out of 23 lettermen this season returning to form the nucleus for his 1953 team. Coming back will be Bob Harrington, Dick Hegerty, Max Krespan, Rodney Morley and Toby Shea, all juniors; Bud Confer, Bill Cramer, John Fisher, Stan McClelland and Fahey Morley, sophomores; and Don Mahaffey, a freshman this year. Sam DeLeo, also a junior,

will be ineligible in the 1953 season because of a PIAA ruling. The loss includes Ronald Carlson, Reynold Flatt, Bernie Gray, Rod McCollough, Bob Nine, Ben Pastrick, George Scalise, Bud Terry, Dean Vesling and Stan Johnson, the manager. Not only were the Dragons undefeated this season, but didn't fall in one meet to break an all-time Warren High record. Although the squad, on the whole,

was well-balanced, it had two outstanding relay teams in the mile and 880, and was well represented in the discus, shot-put, 880, 440 and mile run. Ben Pastrick, shown above, who is one of the most all-around athletes to come out of Warren High School and a four-year track letterman, broke his own shot mark set in 1951 twice this season, his final distance 45 feet and eight inches. In the discus he bettered

his '51 record by more than 14 feet, his best of three record throws this year measuring 135 feet, seven inches. Outside of the two relay teams, Morley, an 880 man, and Krespan, a mile, each finished the regular seven-meet season undefeated. Morley also accomplished the feat as a sophomore last year and beat his previous record with a 2:01.6 clocking.

The mile relay team, comprised of Morley, Shea, DeLeo and Scalise, started the season by crashing the time in that event three straight times, their best, 3:42. A 1:37.2 time turned in by the 880-relay team also chalked up a new mark for the 1952 squad. The record-breaking team was comprised of Terry, Nine, Mahaffey and Harrington, but since the Bradford meet, when Terry was injured, Hegerty has very capably filled the gap. Each of these teams consists of only one senior and should be making a strong bid again next season.

Warren's outstanding contender in the 440-yard dash was DeLeo, who had six consecutive wins. Although he didn't win a first, sophomore Bill Cramer did a capable job of runner-up to Morley in his seven wins, which was a big aid in several triumphs.

While the cinder oval was the Dragons' mainstay this year, in the seven meets, Pastrick had a 5-3 record in the shot, 3-4 in the discus, 2-5 in the javelin; and Hegerty, 2-5 in the javelin; and Morley, 4-3 account in the broad jump to balance up the field work. Blue and White victories were over Titusville, Oil City, twice each; Bradford and Kane in a triangular meet; Corry and Jamestown. AND NOW FOR '53...

Qualifying Record Is Broken Four Times By Field Starting Indianapolis Race On Friday

Indianapolis (AP)—A field that broke the track qualifying record four times will start Friday in the 6th annual 500-mile auto race at Indianapolis Motor Speedway. The 33 starters averaged 135.504 miles an hour in the 10-mile qualifying runs that ended Monday. Old-timers around the 2 1/2-mile track contended the limit was near last year when the field averaged 135.570 in the time trials. The mixture of veteran racers and young graduates of the hot and midwest circuits wrecked our cars in the race preliminaries. There were no deaths.

Allen Heath of Northridge, Calif., escaped with cut lips and a sprained wrist in the only crash yesterday. Chet Miller of Glendale, Calif., was the fourth driver to crack the track qualifying record and his smooth ride at 139.034 was almost an anti-climax. He had set a one-lap record of 139.6 miles an hour Saturday in a qualifying attempt stopped by engine trouble. The qualifying record had been broken successfully by Andy Linden of Los Angeles, Fred Agabashian of Albany, Calif., and Bill Vukovich of Fresno, Calif. Nine-

teen of the 53 qualifiers were Californians. Alberto Ascari of Milan, Italy, driving a V-12 Ferrari, made the starting lineup.

Merchants Win From Business School and Go Into 2-Way Tie With Elks For Lead In League

A loosely played Sunset League tilt on the State Hospital diamond last night, turned into an 8-6 win for the Warren Merchants over Warren Business School and put the victors into a two-way tie for first place with the Elks. Six errors on the part of the Schoolboys played a vital part in the Merchants' second win of the season, as losers blasted pitcher Dick Kifer for 10 hits, to six of Carl Falvo, just up from last season's Junior League. The Merchants jumped off to a 3-0 lead in the top of the first on singles by Bill Massa, Gerry Vesling and Ed Shanshala and an error on the part of John Castagnino. In their half the Business School came back with two as Dick Knight singled, Hud Berdine smacked a three-bagger, and Ryan and Castagnino doubled. A four-run rally in the second eased the pressure for the winners. Kifer walked, Massa singled, Bevevino tied out to Knight, Ves-

ling walked, and then the former tallied when Ed Shanshala grounded out to Berdine. Dick Campbell grounded out and Massa crossed the plate for the second run. Another grounder by Don Baldensperger was booted by Castagnino, allowing Bevevino and Vesling to come in. A walk, stolen base and an error by Campbell gave the Schoolboys a lone tally in the third, and they acquired three more in the sixth with two men out to make a 7-6 race out of the game. These came after Ryan hit a two-sacker and scored when Castagnino and Ray Ritchie were safe on errors. Nick Creola singled to score the other two men. Final scoring came in the top of the seventh, when Jack Baker was hit by a pitched ball, took second on a wild pitch and scored on an error.

Falcons, Hamilton Are Tied for Second

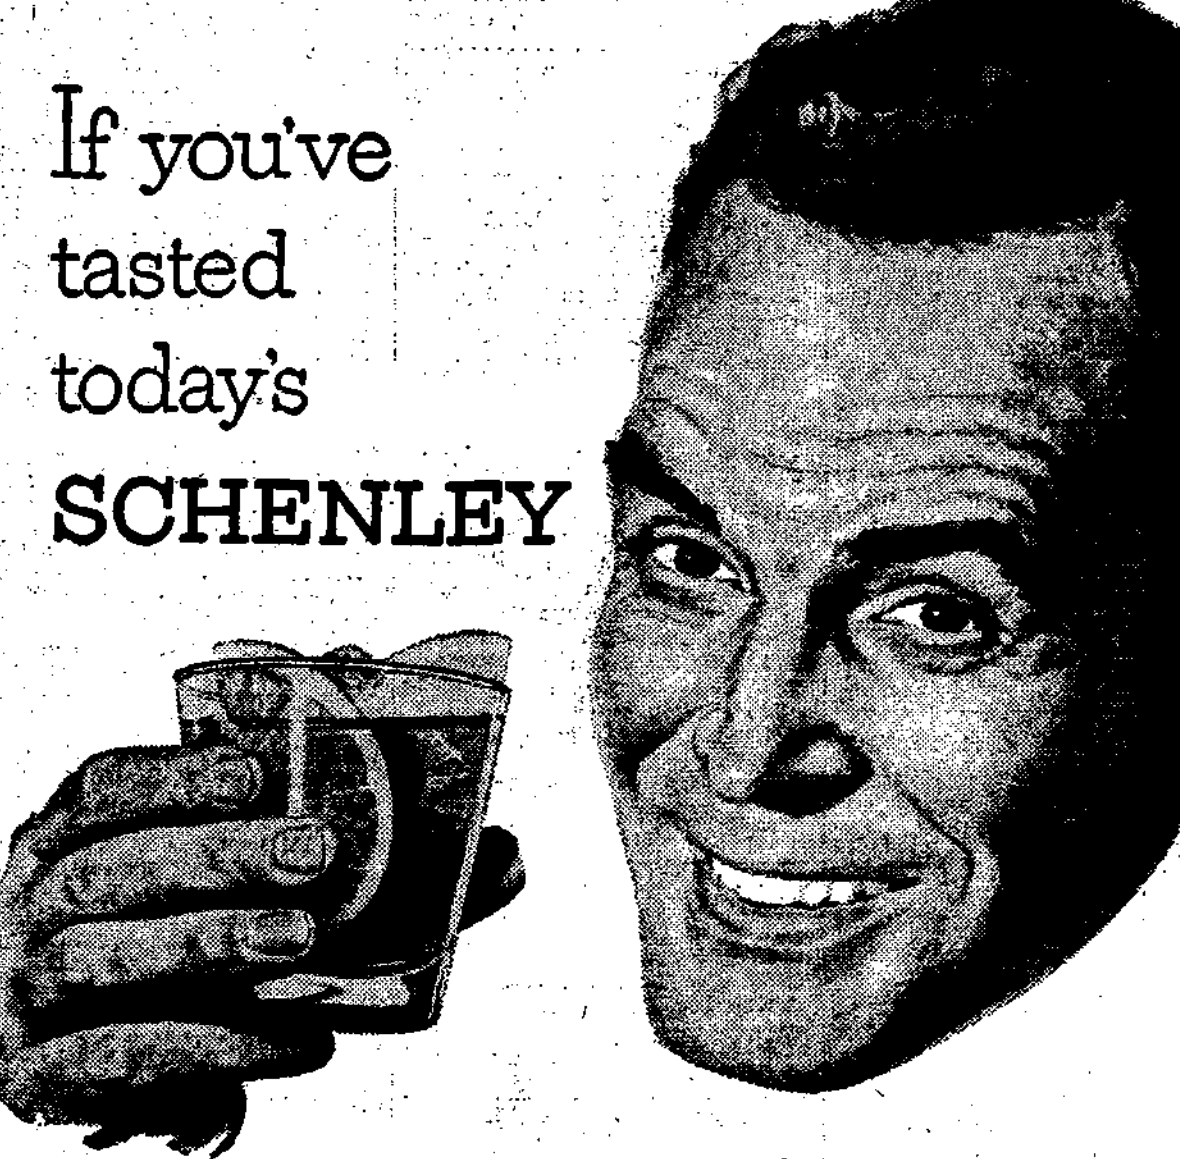

By The Associated Press
All eight Pony League clubs emerged from the recent string of rain-out games last night and proceeded to tighten up the race to a point where the margin between first and fifth places was exactly four games. The loop-leading Hornell Dodgers ran into the right-handed slants of Wells' red hot Frank McCarthy and bowed 4-3. McCarthy, 19-year-old curver from Sunbury, Pa., has accounted for four of the Rockets' five wins this season. The Hamilton Cardinals moved into a tie for second with Jamestown when they took the measure of Bradford, 11-4. Down at Olean, big Jim Coates shaped up as the league's strike-out artist as he ran his total of whiffs to 52 in curbing the Corn- ing A's, 6-2. In a double bill at Jamestown, Batavia and the hometown Falcons split, Batavia taking the opener, 1-0, and Jamestown squeezing home the winner in the nightcap, 2-1.

General Chairman For Camporee In June Is Announced

Don Lauffer has been named general chairman of the annual camporee of Warren County Council, Boy Scouts of America, which will be held at the Farnsworth farm at Cherry Grove, June 21 and 22. Selection of the site was made by the location committee of which Earl Mohnkern was chairman and Joe Acka, assistant.

W. L. Wehner, county activities chairman, says he believes "this year's camporee will be the best and most interesting ever held, and already has announced that immediately following the camporee, the committee will meet to discuss plans and ideas for 1953.

Other committees for the 1952 camporee are as follows:

Camp and Camp Set-up: Lewis Crispin, chairman; Ernest Oviatt and George Walter.

Camp Layout: Chet Sprandle, chairman; John Hoffman and Lester McArthur.

Activities: Frank Fago, chairman; Paul Hagerman and Jim Keller.

Judging: Fred Reed, chairman; James Streich and David Olson.

Publicity: Richard Hedman, chairman.

The camporee will start at 9 a. m., Saturday, June 21, ending Sunday evening.

Former Resident of Area Crash Victim

Services in memory of William T. Blakeslee, 27, formerly of Youngville, were held Sunday afternoon from the Church Funeral Home in Waynesburg, with burial in Rosemont cemetery at Rogersville.

Mr. Blakeslee is the son of Walter L. Blakeslee, of Youngville, and was instantly killed last Wednesday in an automobile-train collision in Millsboro, Centre county.

The accident occurred at about 11 p. m. that day. State police said that Blakeslee's car struck a locomotive and that he sustained fractures of the neck and skull.

A passenger in his car, Malcolm Heys, Jr., 16, of Sunbury, sustained back and knee injuries, and was taken to Centre County Hospital where his condition is pronounced good.

Blakeslee was employed at the Standard Lime and Stone Company, and resided at Moose Run, also in Centre county.

Attending the services from Youngville were his father, Mr. and Mrs. Walter E. Blakeslee, Mrs. Henry Ward, and Kenneth and Walter Ward.

East Branch Grange in cooperation with the East Branch Cemetery Association, is again sponsoring Old Home Day in 1952 and will hold the event on Memorial Day.

Accommodations for a large attendance are planned, ladies of the Grange to serve lunches from mid-morning until early afternoon.

The Rev. William Brooks, former pastor at East Branch, will serve as master of ceremonies for a memorial service scheduled at 2:00 p. m., with the address to be given by the Rev. Joseph Clair, rector of the Episcopal church at Corry.

The Rev. V. A. Oviatt, pastor of Clarendon Methodist church, will also be present to participate in the program and there will be special singing and other music.

in Sugar Grove: Carl Laubach, Charles Laubach, L. J. Learn, Herbert Laubach and Fire Chief Clyde Laue.

Corydon Grange conducted its regular meeting Monday evening in IOOF hall. Routine business matters were transacted and three candidates were slated to become members.

R. R. Wilcox has been discharged from Warren General Hospital and brought to his home here.

Miss Bette Remington has returned to her duties with the Bradford Producers' Bank, following a week's vacation.

Mrs. Leo Loughlin of Erie spent the weekend with Mr. and Mrs. Ray Wilcox.

Fred Davis has returned to Medina after a weekend visit to his home here.

Mr. and Mrs. Carl Johnson, Bradford, spent the weekend at the Funk cottage.

Among guests of Mr. and Mrs. L. J. Learn were Mrs. Mae Learn and son, John, Limestone, and Mr. and Mrs. Basil White, Warren.

Gavilan and Turner Booked for July 7th In Phila. Stadium

Philadelphia (P)—The eagerly awaited Gavilan-Turner welterweight title fight is finally all set for July 7 at Philadelphia's Municipal Stadium.

Promoter Herman Taylor announced yesterday that he had reached an agreement with Angel Lopez and Fernando Belido, co-managers of Gavilan, the title-

holder from Cuba, and George Katz, pilot of the unbeaten Turner, who makes his home here.

The two fighters will sign contracts for the bout June 9 with the champion probably receiving 40 per cent of the net receipts and the challenger 20 per cent.

The Gavilan-Turner meeting will be the night before the all-star baseball game at Shibe Park, home of the Philadelphia Athletics and Phillies.

It will be Philadelphia's second title bout of the summer outdoor season. Heavyweight king Jersey Joe Walcott will place his title in the same Municipal Stadium ring for former champ Ezzard Charles to shoot at June 5.

The Philadelphia Inquirer Charities, Inc., will sponsor the welter fight.

Adcock, Rosen Take Slugging Honors In The Major Leagues

New York (P)—Hard-hitting Joe Adcock of the Cincinnati Reds and Al Rosen, sparkplug of the power-laden Cleveland Indians, have the top slugging averages in the major leagues.

Adcock, sidelined by a knee injury last Thursday, has collected 33 hits, good for 66 total bases, for a remarkable .667 slugging mark to lead the National League.

The Redleg outfielder has pounded out four doubles, four triples and seven home runs.

Slugging averages released by the Associated Press Statistical Bureau also revealed that Rosen with five doubles, three triples, 10 home runs and 85 total bases is setting the pace in the American League with a .854 slugging percentage. Averages include games played Sunday.

To compute a batter's slugging average the total times at bat are divided into the total bases made on all hits.

Hank Sauer, the big gun in the Chicago Cub attack, is giving Adcock a run for National League slugging honors. His average is .608.

Andy Pafko of the Brooklyn Dodgers is the third with .546. Rosen's teammate Larry Doby is the runnerup in the American League.

Barbara Begeny, of Ludlow, became the first girl ever to be presented an athletic award along with the men at Edinboro State Teachers College last week, when she stepped forward to receive a first year award of a letter.

For their all-around participation in various sports at Edinboro, Margaret Lay of Youngville, was awarded a blazer for accumulating 800 points, and College "E's" went to Miss Begeny, and also Carol Zelfiff, Youngville. Joan Kondak received a two year award as a cheerleader.

Discuss Foreign Student Program

Meeting under the chairmanship of Mrs. R. H. Israel at the Woman's Club last night, members of the Warren Foreign Student Program Committee went over preliminary arrangements for this year's participation.

It was learned at the meeting, by the 14 members representing various local organizations, that plans are being made to bring a German girl and an English boy here this year. Last year, when the Woman's Club originated the idea and made the initial steps, a German boy and a French girl were on the program.

During the session Mrs. Israel explained the great success that was had in the first experience with this program and expressed the feeling that there would be as much cooperation given again on the part of local organizations and individuals.

If there is any club interested in being represented on the committee or which would like to make a contribution to the effort, it can do so by calling 3554 and asking for Mrs. Israel.

Plaque at High School Honors Student Dead

To commemorate the deeds of the soldiers from Warren High School who lost their lives in the service of their country between the years 1917 and 1952, the Warren High School Student Council of 1952, yesterday, placed in the front hall of their building a memorial plaque.

The bronze tablet, which the student councils have been planning and working toward for over a year, carries this inscription: In Memory Of Those Warren High School Students Who Have Given Their Lives In The Service Of Their Country 1917-1952

Presented by The 1952 W.H.S. Student Council
